December 2025

VF'S MONTHLY WRAP-UP

VF Services
@VFSERVICES

PROJECTS

Project 1 - St Andrews

September marked the beginning of an exciting new project for us in St Andrews — the development of a series of high-end flats designed to provide modern, comfortable living spaces for future residents.

Project 2 - Aberdeen Voids

We're also pleased to share that we are now back on-site and continuing work on the next phase of the Aberdeen Voids project. This marks an important step in our ongoing partnership, and the team is fully committed to delivering the same high standards of quality, efficiency, and professionalism as we progress through this stage of the programme.

Project 3 - Domestic Properties

Over the past month, VF has been completing a wide range of domestic jobs for our clients. From small repairs and upgrades to larger home improvement projects, our team has continued to deliver high-quality workmanship and reliable service.

OTHER NEWS

As we look back on the month of December and bring the year to a close, we want to take a moment to sincerely thank everyone who has supported VF throughout the year. The trust shown by our clients, partners, and wider network has been invaluable, and we are extremely grateful for the opportunities and relationships that have helped shape our journey.

This year has been monumental for VF. Across the business, the team has worked relentlessly to strengthen our operations, refine internal processes, and improve communication and planning between departments. These efforts have reinforced the foundations of our business and positioned us strongly for continued growth in the year ahead.

Over the past month, we have also seen the momentum of the year carry through into new project commencements, partnering with both new and returning clients. These projects are a reflection of the progress we've made and provide further opportunities to demonstrate our ongoing commitment to quality, reliability, and professional service.

As we move into the new year, we do so with confidence, gratitude, and excitement for what lies ahead. Thank you for being part of VF's journey — we look forward to building on this success together.

ACCOLADES

At VF Services, we are privileged to work alongside some of the most driven, innovative, and inspiring clients across industries.

Your bold ideas, unwavering commitment, and relentless pursuit of excellence not only fuel your own success—but push us to raise the bar in everything we do. It is because of your vision and trust that we are able to do meaningful work every day.

This post is a tribute to you—our clients. Thank you for allowing us to be a part of your story. We are proud to support your goals and to witness the incredible impact you continue to make.
